MESSAGE FROM THE HEAD OF SCHOOL

Dear Parents,

It is that time of the year again! The administration, faculty, and staff of Amelia Academy want to welcome (with excitement and high expectations) our returning students and new students to the 2020-2021 school year. We begin our 57th year of educating the youth of this region on Monday, August 24, and we will continue this endeavor through until Graduation night, Thursday, May 27, 2021. This will prove to be an eventful year, as are all school years. With what can seem like so many events, there always seems to be so little time. We ask the Amelia community and Academy patrons to refer to our yearly calendar for all upcoming events. We encourage our patrons and student body to prepare for what promises to be a very "eventful" year.

We are prepared and motivated in order to make this school year the best we can have. Our goals are both ever-changing but with one over-riding familiarity...to provide the best education possible to our patrons and students. We have an outstanding array of educators (both returning and new) ready and eager to share their knowledge with our younger generation, a group of youth relying on what we offer to succeed in their future endeavors.

There will be a number of ways students can have a role in student life and culture at AA and the surrounding regions. The SGO will be counted on to lead the student body and provide initiative on the campus. Individual class officers will be chosen by class elections. Many organizations and clubs will be student-led and driven. Students will be involved in meaningful community service projects in order to give back to a community which has given our school so much. We are determined to have our students emerge as leaders in our community. With regard to student culture, the SGO will lead and advocate on the direction of the school and/or student life.

Once again, it is with great enthusiasm that I welcome everyone back. With the support of the community, this school will preserve its stature and maintain its reputation for academic excellence. On behalf of the faculty and staff of Amelia Academy, I welcome all of you to the 2020-2021 school year. We are all grateful to you for entrusting your student's education to us.

Sincerely,

Rodney Taylor
Head of School
Amelia Academy

Philosophy of Education

Our purpose is to develop in each student qualities of good character, leadership, scholarship and service. Opportunities are provided for each student to learn to think critically and to make intelligent choices. Our school stresses the importance of principled behavior with emphasis on honor, integrity and personal responsibility.

We endeavor to prepare our students for all levels of education beyond secondary school so that each child will adapt to a rapidly changing world and make a worthwhile contribution to our democratic society. The Board of Directors, administration, faculty and staff believe that our students should view their youth as a time of accomplishment in which they greatly expand their knowledge of themselves, our nation and the world. We want our students to experience and cultivate an awareness of intellectual, physical, social and emotional development as important ingredients in the quality of life.

Our function is to challenge our students at all academic levels and to instill just, moral and democratic values. We believe our students need experiences in responsibility, critical thinking, intellectual curiosity, creativity, leadership, decision making and communicative skills.

Since our student population encompasses several communities, we utilize this diversity to broaden our students' horizons and help them develop an understanding of others. We also host selected foreign students who help enrich the cultural diversity of the Academy.

Educational Objectives

Amelia Academy's purpose is to instill basic skills — both academic and personal — in young people so that they may become leading citizens in our American society. Amelia Academy, through its Board of Directors and administration, has developed measurable standards that meet or exceed accreditation requirements of the Virginia Independent School Association. To accomplish this, challenging goals have been established. The efforts of our board, administration, teachers and parents are united in the fulfillment of these objectives:

- **To instill effective communication skills.** Students are provided the skills to pursue in-depth reading of materials and develop responses in written and spoken expression. Small classes afford all students many opportunities to engage in classroom discussion. As a result, students develop confidence in critical thinking and analysis, abilities that serve them well in all of their academic pursuits.
- **To understand mathematical, scientific and social studies concepts.** Each student develops an understanding of mathematical concepts and computations (including computers), knowledge and appreciation of science as it influences lives, and a grasp of the significance of social forces in

past civilizations. Required study of economics and business law, as well as a course offering in Constitution, will prepare students to become informed citizens.

- **To use measurement programs to individualize instruction.** The progress of each student is ascertained by measuring instruments, both standard and local. Test results are used for diagnosis to help teachers individualize their instruction.
- **To identify and expand opportunities for gifted and talented students.** Students who have indicated exceptional abilities are placed into higher learning programs and classes.
- **To benefit from counseling for college preparation and personal growth.** Qualified guidance personnel are available to all students. Selecting a college that coincides with a student's personal needs, and counseling, are a part of each student's school experience.
- **To capitalize on disruption-free learning and effective discipline.** Each student is assured the right to study free from disruption and is taught the responsibility of being a positive influence and supporting school policies.
- **Learn from qualified personnel.** Teachers are members of a professional learning community that requires ongoing professional development.

Alerts

Instant Alert

Keeping parents informed and involved helps to assure student safety and improve student success. With today's on-the-go lifestyles, it has become more difficult for schools to reach families quickly and effectively. This is why our school has decided to implement a new system called Instant Alert™ for Schools.

Instant Alert for Schools is an essential tool for notification and communication. Within minutes of an emergency, school officials can use Instant Alert to deliver a single, clear message to the students' parents or guardians by telephone, cell phone, e-mail, pager or PDA in any combination. Instant Alert can also be used to notify you of a school closing due to inclement weather. It's an equally effective way to keep you informed of everyday activities, such as event times and locations as well as schedule changes.

Instant Alert is Internet based, allowing each family to maintain a secure, password-protected online profile. Included in this letter is an instruction sheet for accessing the system and creating your profile. You can log into your profile at any time to update your contact information. Maintaining the accuracy of your profile will increase the ability of the school to keep you informed.

Your online profile will enable you to do the following:

- Input your personal contact information
- Select which type of school information you would like to receive on each of your contact devices
- Send yourself a test text message to make sure your text messaging contact information is entered correctly
- Add contact information of other caretakers of your children, such as a grandparent or neighbor

In addition to receiving communication alerts on your designated contact devices, the alert messages will also appear in your online profile. You can use this feature to read any alerts that may have been erased or deleted accidentally on your other contact devices.

If you need assistance with your profile, please contact the office at 804-561-2270. **When receiving a call from the Academy, we ask that parents check their voicemail before calling the school as it may be a message from the Instant Alert system.**

School Closings or Delays

When weather conditions or any type of emergency forces the closing or delay of school, the report will be sent out on our Instant Alert and may be seen on television channels 6, 8 and 12. It should be noted that we do **not** base our decision on what Amelia County Public Schools decide.

Careful thought is given not only to students who ride the buses but also to the numerous students who

drive themselves to school and to the parents who transport their children to the Academy. Safety is the foremost driving force in the decision-making process. We would like for all parents to know that if you should decide you need more time to allow for a safe trip, your decision will be honored and your child will not be penalized. We have students from other counties and many within Amelia County are traveling long distances along secondary roads to the Academy. Working together during times of inclement weather is just another indication of the Academy family striving to provide the best education possible for our students.

Fire Drill Procedures

The signals for a fire drill will be short, interrupted rings of the bell. Be sure that the windows are closed and lights and fans are turned off before the last person leaves the room. The last one to leave the room will be responsible for closing the door. March out in single file without talking. Teachers are responsible for ensuring students are escorted outside of the school buildings. Exit directions are posted in each classroom.

Tornado Drill Procedures

The warning for a tornado drill is a long continuous ringing of the bell. If this warning sounds, teachers are instructed to move their students to the nearest interior hallway wall as far as possible from outdoor entrances. Students are instructed to kneel down and cover their heads with their arms.

Earthquakes

Regardless of the location on campus (hallway, classroom, or outside) it is important to know what to do in an earthquake. Within the building, teachers should instruct students to “drop, cover, and hold” should an earthquake occur. Practice what to do during an earthquake and teach yourself how to react automatically when the shaking starts. Drop, Cover, & Hold!

- Procedures inside building:
 - Drop- drop down to the floor.
 - Cover- take cover under a sturdy desk, table, or other furniture, if that is not possible, then seek cover against an interior wall. Protect head and neck with arms. Avoid danger spots near windows, hanging objects, mirrors, or tall furniture.
 - Hold-if you take cover under a sturdy piece of furniture, HOLD on to it and be prepared to move with it. Hold the position until the ground stops shaking and it is safe to move.
 - In a multi-story building and an earthquake hits, follow the drop, cover and hold procedures. In

the absence of a desk or table, move against an interior wall, and protect head with arms. Once the shaking has stopped and it is safe to move, evacuate the building as quickly as possible.

- If you are in a wheelchair, stay in it. Move to cover if possible, lock your wheels, and protect your head with your arms.
- Once the shaking has stopped, and if you have been injured or are trapped in a building/room by falling debris, yell for help to notify others of your situation. If a window is available, hang a piece of clothing out the window to alert others of your location.
- Once the shaking has stopped and it is safe to move, move to your designated assembly point and await instructions from the command center.
- Evaluate situation and implement evacuation procedures if necessary. If required, evacuate to pre-assigned assembly area at least 100 feet from the building. Take grade book and check class roster immediately, reporting any missing students to the administration.
- Teachers should accompany students to an outside designated region, an open area away from trees, building, walls, and power lines until the shaking stops.
- If you are on a sidewalk near a building, duck into a doorway to protect yourself from falling bricks, glass, plaster, or other debris. Once the shaking stops, move to an assigned assembly point and await instructions from the command center.

Earthquake Alarm

The Earthquake Alarm consists of long rings; students and staff drop to floor, take cover under desk or table, hold on until tremors subside.

Fundraising

Class Fundraising

Class fundraising projects must be approved by the Head of School.

Picture Money

Individual pictures are taken early in the school year. Money is due when pictures are taken. Make-up and spring pictures will be scheduled as announced.

Student Fund

In the interest of accuracy and in consideration of the local bank, student club and organization accounts have been consolidated into one central account named "The Amelia Academy Student Fund." Clubs retain complete control of monies. However, to facilitate the system, the following procedures have been set for all clubs and organizations:

- Monies received by each club will be given to the Academy's appointed treasurer; he/she will issue a receipt.
- To expend monies, a voucher, which may be secured from the office, will be properly completed and presented to treasurer. This voucher must be signed by both the treasurer and faculty adviser.
- All monies to be deposited must be counted and totaled before being deposited. Coins must be wrapped prior to being deposited. Wrappers can be secured from the treasurer.
- Clubs can ascertain their balance at any given time from the appointed treasurer. All monies collected are to be left with the Business Office.

Student Regulations: Positive and Productive

Behavior Skills Program

Parents, teachers, administrators and support staff working as a team can have a significant impact on students' behavior and accomplishments. Education has to work for all stakeholders. By implementing the following strategies, we **can** combine the need for positive classrooms that support the whole child with the need for accountability and improved academic performance.

- **Make Learning Relevant and Rigorous**

Students are more engaged in learning and retain knowledge better when they see that it is relevant and vital to their own success and happiness. By discovering students' talents, learning styles, and interests, teachers can adjust teaching methods and strategies.

- **Create a Classroom Code of Conduct**

A positive and productive classroom requires a common understanding of positive and negative behaviors. To establish this understanding, teachers ask students to identify the ways they like to be treated. This discussion elicits lists of behaviors that are respectful, fair, kind, and empathetic. Together, teacher and students conclude that treating others the way you want to be treated is the best code of conduct, and they agree that this code will dictate the behaviors that are appropriate for their classroom.

- **Teach Positive Actions**

Our students will learn positive behaviors in a thorough, consistent, systematic way; we cannot assume that students just know them. The keys are as follow:

- The importance of doing positive actions to feel good about themselves.
- Positive actions for a healthy body (such as nutrition, exercise, and sleep).
- Positive actions for the intellect (such as thinking, decision-making, and problem-solving skills).
- Positive actions for self-management (such as managing time, energy, emotions, and other personal resources).
- Positive actions for getting along with others (such as treating others fairly, kindly, and respectfully).
- Positive actions for being honest with oneself and others (such as taking responsibility, admitting mistakes, and not blaming others).
- Positive actions for improving yourself continually (such as setting and achieving goals).

- **Instill Intrinsic Motivation**

People need to feel good about themselves. In using a positive approach, teachers help students understand that people are likely to feel good about themselves when they engage in positive actions. The three-step process for choosing positive actions: First, we have a thought; second, we act consistently with the thought; third, we experience a feeling about ourselves based on the action. That feeling leads to another thought, and the cycle starts again. With practice, students learn that if they have a negative thought, they can change it to a positive one that will lead to a positive action and a positive feeling about themselves — a powerful intrinsic motivator. With repeated reinforcement by the teacher and administrator, this simple explanation helps students understand and improve their behavior in any situation.

- **Reinforce Positive Behaviors**

Teachers can strengthen intrinsic motivation by recognizing and positively reinforcing positive actions when they see them. Recognition of students doing the right thing is very effective. When

students make the connection between their performance and feeling good about themselves, intrinsic motivation is enhanced and positive behaviors continue.

- **Engage Positive Role Models**

Families and community members are encouraged to be engaged in their children's education as positive role models for all the students. Educators can integrate leaders from the community into many classroom and school activities, such as curriculum activities, assemblies, committees, after-school events, and homework.

- **Always Be Positive**

The most important strategy, yet often the most difficult to carry out, is to be positive at all times in the educational environment. There is always a positive way to respond to a situation. A positive attitude is the change agent that will create positive classrooms and schools that produce happy and successful students.

On the Bus

The following rules for riding an Amelia Academy bus are to be in effect at all times.

- No throwing of articles permitted (inside or outside the bus).
- Students must remain seated while the bus is in motion.
- No horseplay will be permitted.
- No parts of the body may be outside of the bus.
- Aisles are to be kept clear.
- Food and drinks are not permitted on the bus.

Guidelines for student behavior problems on buses were set forth by the Board of Directors on February 15, 1984.

If a student violates "proper behavior" on a bus, the following four-part steps of action may be taken:

- **Part I – First Offense:** Student will receive a warning, and a notice will be sent home to parents stating consequence for misbehavior on the bus.
- **Part II – Second Offense:** Student will be given a one-week suspension from riding the bus.
- **Part III – Third Offense:** Student will be suspended from riding the bus for the balance of the semester.
- **Part IV – Fourth Offense:** If all of the above offenses happen during the first semester, the student will begin the second semester on Part III, meaning the next offense will result in the loss of riding privileges for the remainder of the school term.

In the School

Consequences of Violating School Regulations

Students violating general school regulations are subject to one or more of the following consequences:

- Warning, and parental notification.
- After school detention and parental notification.
- In-school suspension and parental notification.
- Out-of-school suspension with or without the chance to make up missed assignments and parental notification.
- Recommendation to the Board of Directors for expulsion from the Academy.

Additional consequences for violation of school regulations are noted throughout this handbook.

General Regulations

- Electronic devices are not allowed to be used by individuals during school hours unless directed by a faculty or staff member (this includes cell phone use).
- No gambling in school.
- Students should **not** be in the parking lot during break, lunch or class time without permission.
- No profanity by students or staff at school and during school functions.
- No gum allowed.
- Students who show disrespectful and rude behavior toward persons in authority and toward each other will be subject to the discipline process.
- Reckless or irresponsible driving in the school parking lot will result in the loss of driving privileges.
- Food or drinks will not be allowed in the classrooms unless approved by administration (permitted only in the café).

All students on any school-sponsored trip are governed by the Student Code of Conduct. All rules and regulations, including the dress code, must be followed. It is the responsibility of the teachers and/or chaperones to report violations to the administration. Any changes to the dress code for field trips must be approved by the head of school **prior** to the trip.

Attendance

Excused Absences

In the interest of sound academics, absences of students should be limited to illness or deaths in the immediate family.

A student must bring a signed note from a parent stating the reason for the absence on the day that he/she returns to school. Failure to comply may result in detention and/or suspension.

Students with excused absences will be permitted to make up missed assignments.

A signed note requesting early dismissal of a student must be presented at the beginning of the school day and must have a phone number where a parent may be reached.

Parents arriving to pick up their children for an early dismissal must remain in the office rather than in the classroom.

Unexcused Absences

First offense: A student who misses school for an unacceptable reason may receive "0" for all work missed and will not be permitted to make up the assignments.

Second offense: The student may be required to complete a two-hour work detention after school hours.

Third offense: May result in an in-school suspension for one day.

Fourth offense: The student will be sent home and may not be permitted to return without a parental conference with administrator. Student must be present at the conference.

Board Policy on All Absences

Students in grades 9 – 12 missing in excess of ten days in a class per semester will not receive credit for that class. If an extenuating circumstance should arise, the parent, student and administration must meet to discuss that situation with the Head of School. Please note that the accreditation of Amelia Academy through the Virginia Independent School Association requires that the Academy meet the proper number of classroom hours for students to receive credit.

Tardiness to School

Students who report to school after 8 a.m. must have a note at the time of arrival to be excused from being tardy. The Head of School will determine whether the tardy is excused. **If a student is tardy to school more than nine days per semester, excused or unexcused, or has three unexcused days to school tardy, the parent will notified and a conference may be necessary with an administrator, student and parent.** Additional days tardy to school will lead to detention and possible suspension from classes.

Tardiness to Class

The teacher will mark a student who is late to a class tardy. This tardy will be considered unexcused unless the student has a written note signed by an administrator, teacher or office personnel. Students are expected to be seated in all classes, before the ringing of the tardy bell. The bell signifies that the student is tardy. Parental notification will be necessary and disciplinary action taken towards students who are tardy to class more than three times during a semester.

Teachers should document and file the dates of all tardies (may be kept in attendance book). All contacts with parents should be documented and filed; documentation should include date, the person contacted and the response of the student and/or parent.

Leaving School Grounds

Students are not permitted to leave the school grounds during the school day unless they receive permission from the office and the school consulting the student's parent(s). Failure to comply may result in parental notification and referral to administration for disciplinary action.

Cell Phones

Students are not allowed to use cell phones during school hours unless directed by a member of the faculty/staff. Students are to turn off cell phones upon entering the Academy. Cell phones are not to be set on silent or vibrate. It is the responsibility of the student to secure his/her cell phone in their automobile, in their locker or in their book bag or purse. These are the only locations where the phone should be secured.

Students are not to receive phone calls or text messages on their cell phones during school hours. In case of emergency, the parent should phone the office, (804) 561-2270, and we will summon the student quickly to the office. Students are not to use cell phones during school hours unless given permission by a teacher or administrator. This includes breaks, lunch, and class changes. Violation of this regulation will result in the confiscation of the phone for return to the parent or guardian. Repeated violations will result in greater consequences. Use of a cell phone for text messaging, photographing, videotaping, or recording during school hours constitutes additional offenses and will reap greater consequences.

Dress Code

Revised by Dress Code Committee and Adopted by the Board of Directors; June 2008; Revised July 2012; Revised August 2013. Revised August 2014. Revised 2018

PreK-2 grade

- Students are not to wear open backed shoes. All shoes must have at least a strap to hold the shoe

on the foot. It is recommended that Lower School students wear tennis shoes.

- Students may not wear clothing with holes.
- Students must have on shirts and shoes at all times.
- Students may not have haircuts such as Mohawks, rat-tails, initials cut into hair or other styles that are deemed unacceptable.
- Student will not be allowed to have tattoos (fake or real) showing in school or at school sponsored events. This includes travel on Amelia Academy buses.

All Students grades 3-12

- All students are asked to **wear collared shirts**, tucked neatly inside of pants buckled at the waist during school hours. **Girls only may have a blouse without a collar not tucked inside.**
- Students may wear official Amelia Academy clothing.
- Students are not to wear open backed shoes without the approval of the administration. All shoes must have at least a strap to hold the shoe on the foot.
- Students must practice proper hygiene and grooming.
- Students may not wear sweat pants, tank tops, short tops (no midriffs showing), and clothing with holes or see through areas in classrooms or halls. Sweat pants are appropriate in the gym when endorsed by the Athletic Director for specific activities.
- Students **may not** have head coverings in the buildings. (Any type of hat)
- Students who wear dresses or skirts must wear them at an appropriate length. (Your fingers when extended straight down the side must not touch skin but touch cloth.)
- Students must wear on shirts and shoes at all times. This includes practices or extra- curricular activities of any kind associated with Amelia Academy.
- Students may wear shorts that are knee length year round.
- Students may not have haircuts such as Mohawks, rat-tails, initials cut into hair or other styles that are deemed unacceptable.
- Female students only may wear earrings during school hours or on official school trips. This includes travel on Amelia Academy buses.
- Students may not display tattoos (fake or real) in school or at school sponsored events. This includes travel on Amelia Academy buses.

Field Trip Attire

Students are representing our school and, as such, they will dress with collared shirts and dress pants or khaki pants; dress skirts or khaki skirts; or dress shorts or khaki shorts. **There will be no exceptions unless the planned field trip is to a site where the students may be working.**

Consequences for Violating the Dress Code

Students are warned and allowed to amend dress to comply with Academy code. If dress cannot be altered to conform to code, the school will notify the parent. Repeat violators will face consequences that may include one or more of the following:

- Conference with administration
- Parental conference with student and administration
- Detention after school
- In-school suspension
- Out-of-school suspension
- Appearance before the Board of Directors

Drug and Alcohol Policy

Drug and/or alcohol consumption by a minor is illegal. As a student of Amelia Academy, any social drug and/or alcohol use will not be tolerated (on-campus or off-campus). Students alleged to have consumed drugs or alcohol (on or off-campus) may face disciplinary action which could result in expulsion from the school.

Drugs and alcohol are not to be used nor be in the possession of a student on school property or at school-sponsored events.

Teachers are to be aware of any symptoms or behavioral changes indicating the potential use of drugs or alcohol by students.

Teachers are to notify the Head of School if they suspect a student is under the influence of drugs or alcohol.

Fighting

Fighting will not be tolerated and will result in suspension or a recommendation for expulsion.

Medications

All medications are to be kept in, and dispensed from, the office. There will be no sharing of medication.

Smoking

Students are not permitted to smoke, use, or be in possession, of tobacco in any form including chewing tobacco, in the school building, on the school grounds, or when representing the Academy at

school-sponsored trips or events. The possession of tobacco products by people under the age of 18 constitutes a violation of the Virginia State Judiciary Code.

Stealing

Stealing will not be tolerated at Amelia Academy. Any student who violates this regulation will face suspension and may be recommended for expulsion.

Vandalism

Any destruction of school property, including textbooks, will result in the following consequences: financial restitution will be collected and possible suspension or expulsion may occur. This also includes accidental breakage or damage of property.

Weapons

No guns, knives, or weapons of any kind will be permitted on school property at any time. Possession of such items will result in a student being suspended or recommended for expulsion.

Lost and Found

The office will provide a box for lost and found items. All items will be kept for a minimum of a month, and a notice will be placed in daily announcements. Items must be claimed within two weeks of the first notice in the daily announcements.

In the Classroom

Curricula

Method of Grade Point Average Determination

The method for figuring GPA is as follows:

Number Grade	Letter Grade	Grade Points	Honors Points
100 – 93	A	4.0	5.0*
92 – 85	B	3.0	4.0*
84 – 77	C	2.0	
76 – 70	D	1.0	
69 – Below	F	0.0	

* An additional grade point is added to the average for students who receive an A or B in an honors course.

For honors, such as the honor roll, students will need to have attained a 3.0 (85 minimum). End-of-year academic awards will be based upon attaining an overall average of 3.0 for the academic year.

Valedictorian/Salutatorian

The requirements for being valedictorian/salutatorian are based on the top two GPA scores of seniors who have attended Amelia Academy for three consecutive years. Other academic criteria such as Honors requirements, may be utilized to determine class rankings.

Honor Roll

The requirements for honor roll in the middle and upper schools are as follows:

- No academic grade below an 85

The requirements for honor roll in the **Lower School** are as follows:

- All As and Bs
- No “U” in citizenship

Students who make the honor roll for one nine-week grading period will be recognized by a “special acknowledgement reward” for their successful achievement during the next reporting period.

Exam Grades

Students in grades 8 – 12 take exams at Amelia Academy. Exam grades make up 20% of a student’s semester average.

Progress Reports

Progress reports will be sent to parents halfway through each grading period for all students. They will be sent home via the students. Report cards should not be the first notification to parents that there is a potential problem. Teachers are to contact parents whenever students are not meeting classroom expectations. All students who are performing below a C average in a class are to have their parents contacted by the teacher. Continued poor classroom performance necessitates a teacher/parent conference.

Retention Policy

K – 8: Retained if failed two major subjects: Reading, English or Mathematics; OR one major and two minor subjects. (Teachers, guidance counselor and head of school meet to decide if retention/advancement is in order.)

9 – 12: Have the option of completing a failed course in an accredited summer school.

Class Schedules

Beginning with Grade 5, students change rooms for classes.

In Middle School, Spanish I and Pre-algebra are taken for Upper School credit, and students must achieve a yearly C average to guarantee advancement to the next level.

Schedules may be changed until the first progress reports go home, only with the written permission of the student, parents and teacher(s) and only after a conference between the student and the guidance counselor.

Amelia Academy issues a 24-, 26- and 28-credit diploma. The following are the requirements of each:

	24-Credit Diploma	26-Credit Diploma <i>2 honors credits required</i>	28-Credit Diploma <i>4 honors credits required</i>
English	4	4	4
Health and Physical Education	2	2	2
Social Studies	3	4	4
Foreign Language	-	3	3
Mathematics	3	4	4
Laboratory Science	3	4	4
Electives	9	5	7

Note: In addition to the completion of the credit classes, the Academy require that every senior write and deliver a senior essay to the student body during Senior Chapel Talk. This exercise is under the direction of the English Department and is a requirement for graduation.

Amelia Academy requires or offers (if interest exists) the following classes:

Algebra I, II

Anatomy and Physiology

Geometry

Government

Art I, II
Biology
Business Law
Calculus
Chemistry
Civics
History of Civil War
Computer
Contemporary International Studies
and Domestic Policy
Criminal Justice
Early U.S. History and Constitution
Earth Science
Economics
English 6, 7, 8, 9, 10, 11, 12
Environmental Science
General Mathematics

Health and Physical Education/Drivers Education
History 6, 7
Journalism
Physical Science
Physics
Pre-Algebra
Pre-Calculus
Psychology
Religion
Shop
Sign Language
Spanish I, II, III
Speech/Composition
United States History: 20th Century to Present
World Geography
World History

Note: Three years of the same foreign language is a state requirement for the 26-credit and 28-credit diploma.

Bell Schedule

	Homeroom
8:00 – 8:05	
	First Period
8:10 – 9:00	
	Second Period
9:05 – 9:55	
	Third Period
10:00 – 10:50	
	Fourth Period
10:55 – 11:45	
10:45 – 12:10	Lunch Fifth Period
12:15 – 1:05	

Sixth Period

1:10 – 2:00

Seventh Period

2:05 – 2:54

Book Rental and Sales

Amelia Academy has a rental system for most books. The books are rented for one year for approximately one-third of the original cost. Loss or damage of rented books will be billed to the student at the end of the school year.

Some books, mainly those which would be unsuitable for reuse, are to be purchased by the individual student.

Cheating, Forgery and the Honor Code

Teachers are to report any instances of cheating, plagiarism or dishonesty to the head of school. Dishonesty by students may result in a zero on the assignment. The student violating this rule may be suspended. Repeated incidents will result in a letter of recommendation to the Board for expulsion.

Teachers in grades 6 – 12 are expected to have their students write and sign the following Honor Code pledge at the end of tests and exams: **“I have neither given nor received any information on this examination nor am I aware of anyone who has.”**

Discipline Procedures for Violating School Regulations

- **First offense:** Teacher has a conference with the student.
- **Second offense:** Teacher contacts the parent.
- **Third offense:** Teacher arranges conference with the parent and student.
- **Fourth offense:** Teacher refers the student to administration for disciplinary action.
- **Fifth offense:** Violations deemed severe by the teacher may be referred directly to administration.

The administration will arrange a conference with the parent, teacher and student.

Detention

Detention will consist of one or two hours of work to be done after school and will be used in varying degrees for both minor and major infractions.

Because of our transportation situation, the student will be assigned the day(s) within **one** week of the

problem for his detention. Failure to report for detention is a separate violation.

Teachers will not supervise this work. The student will be told what to do, will be given the materials and told that if it is not done correctly, another two-hour stint will be given. Tasks will consist of anything that needs to be done around our school: washing windows, painting, touch-up cleaning, cutting grass, trimming work on playground and athletic fields.

The student may leave when he/she has completed the assigned tasks and/or is dismissed by the staff member monitoring their detention.

During the day or days of detention, students will not be allowed to attend extracurricular activities either before or after completion of work assigned.

Suspension – In-school

In-school suspension is an opportunity for a student who has a problem with behavior, tardiness, or unexcused absences to be disciplined without having his/her academic work suffer.

When a student is to be placed in in-school suspension, parents will be notified and the following occurs:

- The student is placed in a room alone and is not permitted any contact at all with any of the other students. For example: he/she eats lunch alone.
- The student's teachers will provide assignments to be done for that day. A "0" will be given on all work not completed during that day.
- The student must leave school at dismissal and cannot stay for any activity or attend any school-sponsored activity that afternoon or evening.

Suspension – Out-of-school

Out-of-school suspension results in the student being placed in isolation for the remainder of the school day or sent home immediately. The student may receive a "0" on all work missed or may be given assignments to be completed and turned in upon returning to the Academy.

The student cannot attend any school functions until reinstated. Parents will be notified of the out-of-school suspension. The parents must accompany the student back to school for a conference before reinstatement.

Student Assistants

The use of student assistants in certain teaching areas of the school allows:

- the student an opportunity to experience working in these areas as a possible vocational choice.
- the student to learn to use his/her time more prudently in school.

Student assistants must demonstrate a need for the experience and receive approval from the head of school. Students will receive a credit for the class time spent as an assistant and be held accountable for

the achievement of specified objectives.

The teachers are to plan carefully for the use of these students in instructional programs including lesson planning, presentation, supervision, and evaluation.

In the Gymnasium and on the Field

Athletics Rules and Regulations

Gymnasium Use

The gym may be used only for school functions and benefits. For activities not related to the school, permission to use the gym must be granted by the Board of Directors.

Student groups using the gym must be properly supervised by adults with prior permission from the Board of Directors.

As an aid to maintaining the floor, activities and footwear must be appropriate to avoid damage to the floor.

Athletics Program

Interscholastic competition provides students with physical, mental, and emotional experiences, which benefit not only the individual but also the school and community. Participants have an opportunity to acquire qualities of total fitness, self-discipline, loyalty, and a sincere devotion to a cause greater than themselves.

Winning will always be kept in the proper perspective at Amelia Academy.

Participation in the athletics program is a privilege granted students in return for compliance with rules and conditions. Students should familiarize themselves with the rules and regulations which govern participation in our programs.

Sports Played

Fall Cross Country

Fall Girls Volleyball

Winter Girls Basketball

Winter Boys Basketball

Spring Golf

Spring Softball

Spring Baseball

All sports may be subject to team try-outs if the number of athletes is greater than 15 or the number of athletes on a team may cause unsafe conditions.

Athletics Goals and Objectives

The ultimate goal of athletics is to help each participant become an effective citizen in society through the accomplishment of specific objectives:

- Learn teamwork and develop self-discipline, respect for authority, and the spirit of hard work; place the team and its objectives higher than personal desires.
- Strive for success and learn to accept defeat by striving to win through earnest dedication; develop a desire to strive to the best of one's ability.
- Display good sportsmanship by learning to treat others as one would wish to be treated, developing emotional control, honesty, cooperation and dependability. Good sportsmanship shows good representation of self and school.
- Continue to improve and reach toward goals by diligently practicing skills and consistently adhering to desirable habits and characteristics.
- Enjoy athletics by acknowledging the personal rewards derived from sports and giving sufficiently in order to preserve and improve the athletic program.
- Educate the student body to enjoy sports while maintaining good sportsmanship.
- Promote morale, school spirit, and loyalty by providing activities, which the whole community can support.

Rules and Regulations for Student Athletes

A student athlete must receive an adequate health examination from a doctor and **may not practice or participate without the approval of a doctor**. A new physical is required for each new school year. The last year's physical will not be accepted for the new school year.

A student athlete must turn in an Information Emergency Sheet, Health Examination, and a Participation Pledge before he/she is allowed to practice or participate in games.

A student athlete must participate/practice seven days before being allowed to participate in a game.

A student athlete is responsible for turning in the following forms:

- Physical Examination
- Emergency Information

These forms may be turned in at the beginning of each sport season or to the athletic director at the start of the school year. Forms are available in the office.

Attendance

A student athlete who has been absent from school all day may not practice or participate in a game after school. Extenuating circumstances may be given special consideration by the administration.

A student athlete must be in attendance for at least a half day on game days.

A student athlete who misses five consecutive days of practice and/or games due to injury or illness must be recertified by a note from his/her doctor before returning to competition.

Academic Eligibility

Amelia Academy will follow the VCC standards established for “Bona Fide Student Athletes.” While the VCC has mandated minimum criteria to be attained in order to be a student athlete, AA will impose more stringent standards for students in order to play athletics. Students will need to have an overall GPA of 2.0 and cannot have more than two (2) “F’s” on any Progress Report or Report Card. The status of any student who is unable to gain the minimum benchmark will be reviewed by the administration.

Travel

Student athletes are required to travel to and from contests on the team bus under the supervision of a coaching staff member unless given permission by the head of school because of specific circumstances. If a parent wishes to take a student home from an athletic contest, parents must sign his/her child out with the coach after each contest.

Equipment/Uniform

Student athletes are responsible for returning all equipment/uniforms issued during their sports season. The student athlete will be financially responsible for any lost, stolen, or damaged equipment/uniforms. No student athlete will receive an athletic award, nor will further equipment/uniforms be issued, until all outstanding equipment has been returned and all financial obligations have been met.

All equipment/uniforms must be returned to the coach within one week of the completion of the sports season. If not returned within one week the student may be financially responsible.

Conduct of an Athlete

The conduct of an athlete is closely observed. An athlete’s conduct is a reflection of Amelia Academy. It is important that behavior be above reproach both on and off the field/court. Athletes are not to use profanity or unsportsmanlike tactics. The student athlete is always courteous and congratulates the opponent on a well-played game whether winning or losing. All complaints or observations of improper conduct will be handled by the coaching staff and/or administration.

In the Classroom

In the academic area, a good athlete becomes a good student. If an athlete is unmotivated in the classroom, the same result will occur on the field/court, and he/she may never reach his/her full potential. Refer to this handbook for disciplinary action that may keep students from participation.

In School

The way athletes conduct themselves in school is of great importance. Athletes are being observed and therefore must be good leaders. Refer to this handbook for disciplinary action that may keep students from participation.

In the Computer Lab

Computer Lab Rules and Regulations

- No food or drinks around the computers.
- Permission for students to use computers will be granted only by authorized persons and only at times agreed upon by the computer teacher and approved by the head of school.
- Students must abide by the “Code of Conduct: Appropriate Use of Computers, the Internet and E-mail.” Student computer privilege may be revoked if the student violates any of these guidelines.
- Additional rules may be posted as needed.

Appropriate Use of Computers, the Internet and E-mail

Amelia Academy recognizes that a code of conduct for our students includes student postings, interactions, and exchanges on Internet Web sites, Web pages, personal blogs, and e-mail. Threats made toward any member of the school community violate the behavior we expect of our students. Posting comments or pictures that harass, intimidate, or ridicule another is unacceptable behavior in our community. This code is in effect regardless of where the posting was originated; school, home, or elsewhere.

The school reserves the right to limit access to specific Web sites through the school’s network that it deems offensive or disruptive to the school environment. The overriding spirit of Amelia Academy is to show respect and support for all members of our community.

Students agree that they will:

- not use a computer without permission from a teacher.
- not access the Internet without a teacher present.
- not damage a computer or harm other people or their work.
- not install shareware, freeware, or any other type of software.
- not view, send or display offensive messages or pictures.
- not waste limited resources such as disk space or printing capacity.
- not trespass into another persons’ folder, work, or files.
- notify a teacher immediately if, by accident, he/she encounters materials that violate these rules.

- not use a school computer to check personal e-mail and/or personal Web sites.

Violating these rules will result in possible loss of computer/Internet privileges, payment for damages to computer equipment and/or punishment by the administration.

In the Library – Library Policies

Loan Policy for General Collection

The loan period for books in the general collection is two weeks for Middle and Upper School students. The loan period may be extended an additional two weeks by renewal. **No book may be checked out longer than four weeks** unless arrangements are made with the librarian. Lower School students return and/or renew their books weekly.

Renewal of Books When Librarian Is Not Present

- For Lower School students, pull the original loan card from the date due file box (arranged by grades pre-kindergarten through fifth). For Middle and Upper School students, pull a card from the appropriate folder on the librarian's desk.
- With pencil, complete the book card with the name of the student and the new due date.
- Students should sign their name and grade on the book card.
- Place the card in the appropriate folder (K-5, Middle School, Upper School) on the librarian's desk.

Students are responsible for books checked out in their name. Books should not be loaned to other students as the student will be responsible for any overdue fines and lost or damaged books.

Overdue Books

There will be overdue fines for books not returned on time. The student has the responsibility of returning the books on time, renewing the book, or paying the fine. This policy will be enforced. If books have not been returned or the fines not paid, report cards will be held.

Fines

- \$.05 a day up to two weeks after due date
- \$.25 a day after two weeks over due
- Cost of book for books not returned within a month of due date.

Reference Books and Overnight Loans

Reference Books

Books having a pink overnight card in the book pocket may be checked out overnight. Overnight book cards should be signed, dated, and placed in the appropriate folder by grade. Overnight books are due by 8 a.m. the next morning before the first class of the day.

Fine

A fine of \$.50 per day will be due for overnight books not returned on time.

Magazines

New magazines on the rack are to be read in the library. Back issues of magazines are kept primarily for use by students doing reports; however, they may be borrowed overnight for general reading.

Checking out magazines

Each magazine has a pink title card in the folder labeled magazines on the librarian's desk. Sign your name on the card. Write the issue date of the magazine in the first column. Place the card back in the file labeled magazines.

Returning magazines

Pull the title card and line through your name. Place magazines on the librarian's desk. Return title card to the folder on the librarian's desk.

Audiovisuals

Audiovisuals and materials stored in the audiovisuals room are for teachers' use only. There are **no exceptions** to this rule.

Conduct and Behavior

The purpose of the library is for studying, research and checking out books. The following rules of conduct will apply:

- Conversation should be kept to a minimum. The library should be quiet at all times.
- **No** running or playing in the library.
- Each student is responsible for keeping the library neat. Chairs should be under the table and magazines returned to shelves.
- Students are **not** allowed to sit on the tables.

- **No** food allowed in the library except for scheduled meetings. Drink cans and paper wrappers must be disposed of, and tables cleaned off before leaving the library following a meeting.
- Library shelves should be kept neat and in order.
- Students should not use or disturb materials in or on the librarian's desk except for items used in checking out books.

Appropriate Use of Computers, the Internet and E-mail

Students are reminded that they are required to follow the [Code of Conduct for Appropriate Use of Computers, the Internet and E-mail](#) while using any computers or electronic devices at Amelia Academy.

In the Café – Café Policies

Our café will offer items for sale at lunch, game concessions, and during the morning break. Menus will be posted at school and on the [Academy Web site](#).

Any group wanting to use the café for a fundraiser outside of school hours is welcome to do so. To reserve the café, please contact the Head of School for approval and scheduling.

Café Rules

- No pushing, shoving, or horseplay in the café.
- All food and drinks brought to or served at school will be consumed in the café unless special permission is granted by the Head of School.
- Students will be dismissed from their tables by the teacher(s) on duty at the end of lunch. They will not be allowed to leave until their table and surrounding area is clean.
- The noise level in the café is expected to be kept at the reasonable level as determined by the teacher(s).
- All students are expected to remain in the café during their lunch period whether they are eating or not, unless given permission to attend another supervised activity.
- All trash should be carried to and placed into the trash receptacles.
- No throwing of anything in the café.

Student Activities

A variety of clubs and organizations are available for students. For more information, contact the office at (804) 561-2270 or contactus@ameliaacademy.com.

Student Government Organization – To the Students of AA

You are the Amelia Academy Student Government Organization. A progressive SGO can only come with your help and cooperation. You have elected the following officers to help guide you throughout the year:

The aims of the SGO are:

- To serve as the link between the student body and the administration through student-elected officials, representatives, and faculty advisers.
- To serve as the coordinating agent for all major activities desired by the student body.
- To improve parliamentary procedure throughout the school.
- Participate in Adopt-A-Highway project.

Constitution of the AA Student Government Organization

Article I. Name

Section I. The name of the organization shall be the Amelia Academy Student Government Organization.

Article II. Affiliation

Section I. The purpose of this organization shall be to develop good citizenship, promote harmonious relations throughout the school, provide a forum for student expression, provide orderly direction of school activities, and promote the general welfare of the school.

Article III. Membership

Section I. This organization shall consist of all the bona-fide pupils of eighth through twelfth grades.

Article IV. Dues

Section I. The amount of dues for this organization shall be decided each year by the executive committee or council. There shall be no payment of dues required in order to vote or hold office.

Article V. Officers

Section I. The officers of the organization shall be a president, vice-president, secretary, treasurer, and reporter/photographer.

Section II. Nomination and Election.

- In the spring, two candidates for each office shall be nominated by the student council and presented to the student body. At that time, additional nominations may be made from the floor.
- Candidates must be a bona-fide student of Amelia Academy in eighth through twelfth grade. The candidate shall have shown maturity and initiative in accepting responsibility and shall be approved by the head of school and/or the assistant head of school, the advisers and the executive committee of the Student Government Organization. Any ballot with a write-in vote will not be counted.
- There shall be a definite time for campaigning under the direction of the student council. Voting shall be made by secret ballot in the homeroom or in a special voting booth set up by the student council.
- The tally of votes and announcement of winners shall be made by the executive committee who are not running for office.
- In case of a tie, the winner will be selected by vote of the student council after the student body has been notified of the tie and sufficient time has elapsed for the students to contact their representatives.
- Whenever the vote between the candidates are within 10 votes or less, the candidates will be informed of this and given the right to request a recount.

Section III. Duties of the Officers

- The President shall preside at all meetings, call special meetings when necessary, and assume such other duties as are generally associated with this office. The President shall also serve as an ex-officio member on the Board of Directors.
- The Vice-President shall perform the duties of the President in his/her absence, serve as program chairman, keep an account of committee reports, and shall be in charge of the objectives and evaluations of each organization. In addition, he/she will also be in charge of reviewing all clubs, constitutions, and subcommittees within the SGO.
- The Secretary shall keep the minutes of all SGO assemblies, executive committee meetings, handle all of the official correspondence, keep a file of all correspondence of the student council, and keep a record of committee reports.
- The Treasurer shall have charge of all SGO funds, both collection and disbursement, and shall maintain an accurate record of all such funds. He/she shall make a monthly report on the SGO financial condition to the SGO council and student body.
- All officers must prepare and file a yearly report.

Section IV. Vacancies

- In case of a vacancy in the office of President, the Vice-President would take his place.
- The office of Vice-President and other vacancies shall be filled either by SGO officers or by the Student Body.
- Representatives shall be elected by their homeroom.
- Committee Chairpersons shall be appointed by the President.

Article VI. SGO Council

Section I. There shall be an SGO Council composed of the officers of the SGO, one representative from each homeroom. They are entitled to one vote.

Section II. Duties of the Council

- It shall be their duty to keep their class informed of all council decisions.
- It shall be their duty to cast votes in the council meetings.
- It shall be their duty to take his class opinion to the council. It shall be their duty to attend all council meetings.

Article VII. Advisers

Section I. The faculty adviser/advisers shall be chosen, by the Head of School.

Section II. The adviser does not vote.

Article VIII. Meetings

Section I. There shall be a student council meeting at least once a month.

Section II. Special meetings of the student council or the entire membership may be called by the President and Adviser or three of the council members.

Section III. Committee meetings may be held once a month or at least four times per year.

Section IV. Order of business for a meeting of the entire student body

- Call to order
- Reading of the minutes
- Statements of the Treasurer
- Reading of communications
- Reports of standing committees
- Reports of special committees
- Unfinished business
- New business
- Announcements
- Program
- Adjournment

Article IX. Parliamentary Procedures

Section I. The parliamentary procedure shall be under Robert's Rules.

Article X. Amendments

Section I. A proposed change must be submitted in writing at a regular meeting. The homeroom representatives will vote according to the majority vote of their homeroom. This constitution may be amended by a two-thirds majority vote of the SGO Council.

Article XI. Committees

Section I. Standing committees should always be created on the basis of need for the committee. The committees shall be Special Projects and Scrapbook.

National Honor Society: The objective of this organization shall be to create an enthusiasm for scholarship, to stimulate a desire to render service, to promote worthy leadership and to encourage the development of all students. Membership is based on grades as well as scholarship, leadership, service, citizenship and character. A minimum of a 3.0 grade-point average is required. The NHS includes juniors and seniors.

Junior National Honor Society: Members of the JNHS are inducted in the spring of their seventh grade year or in the eighth grade and include ninth graders.

Article XII. Clubs and Organizations

Section I. Clubs and organizations within the school shall be under the sponsorship of the SGO.

Section II. All powers of the Student Council are delegated to it by the school administration. Therefore, the Head of School has the right to veto any of the powers held by the Student Council.

Objectives of the AA Student Government Organization

I. To develop good citizenship

- Sponsor assembly programs promoting good citizenship.
- Give practice in democratic procedure.
 - Request parliamentary procedure to be taught to all students.
 - Conduct democratic student elections.
- By encouraging individual and group participation in a more orderly process in carrying out school functions and activities.

II. To promote harmonious relations throughout the school.

- Making a yearly calendar.
- Making a monthly activity schedule.
- To help with the activities of the League of Parents and Teachers.
- Serving as the link between the student elected officials, representatives, and faculty.

III. To provide an orderly direction of school activities.

- Posting all school notices on the SGO information center.
- Posting minutes of the council meeting.
- Acting as a coordinator for all clubs and student organizations.
- Collecting and reviewing club objectives in the fall of the year.
- Evaluating activities of the clubs.
- Posting of a yearly activity sheet.

IV. Supply physical needs of school through recommendation to the Special Projects Committee.

Robert's Rules of Order

To help our student government to become more efficient and effective, we have included in our handbook some very basic parts of Robert's Rules of Order.

Robert's Rules of Order is a set group of procedures used by organizations and assemblies to provide its members with organized and orderly ways in which to debate or make decisions in accordance with the entire group.

Making Motions

A motion is a response, suggestion, or idea from any member of the assembly. There are three steps involved in making a motion. They are as follows:

- A member must bring forth the motion.
- Another member must second the motion.
- The chairman or presiding person puts the motion to question before the entire assembly to discuss. After discussion, the assembly votes to pass or reject the motion.

Amendments

An amendment is the changing or modifying of the working of the constitution or other written material in the handbook. Homeroom representatives must vote according to the majority vote of their homerooms.

A two-thirds majority vote is needed in the council to amend the constitution.

Lay on the Table

To “lay on the table” is a motion that allows the assembly to lay the pending question aside temporarily when something more urgent has arisen.

Division of the Assembly

The division of the Assembly is when a member is in doubt of a voice vote: thus, a standing vote is called for a precise count. The raising of a hand is usually acceptable in small assemblies.

The Point System

I. Purpose

The purpose of the point system is to award students for participation in student activities, thus encouraging more students to participate.

II. Club Membership

The membership for an individual is not limited to any number of clubs. The clubs presently functioning are as follows:

Annual Staff

SGO

National Honor Society

Computer/AV Club

III. Offices

During the year, an individual can hold no more than two major offices, or one major office and two minor offices, or three minor offices.

IV. Number of Points

There is no yearly limit of points that can be accumulated by an individual. An award will be given to any senior who has accumulated 60 points or more during his/her high school (No more than 50% of the individual's total, may be acquired by points that do not count yearly).

V. Points that count towards the 20-point limit are distributed as follows:

Major Offices

1. President of SGO*	10
2. SGO officers below president*	8
3. President of any club*	6
4. Class President*	6

5. President of NHS* 6

Minor Offices

1. Club officers below president* 4
2. Class officers below president* 4
3. NHS officers below president* 4
4. Homeroom representatives to SGO council 3

Other

1. Chairperson to SGO standing committee 2
2. NHS member 3
3. Scholastic bowl team
 First place 4
 Second place 3
 Third place 2
 Participant (non-placing) 1
4. Forensics
 First place 4
 Second place 3
 Third place 2
 Participant (non-placing) 1
5. Drama Club
 Lead role 4
 Minor role 3
 Chairperson of Tech Crew 2
 Member of club or crew 1
6. Member (only) of a club 1

Sport Participation

1. Varsity team member 3
2. JV team member 2
3. Score keeper, manager, clock keeper 2
4. Captain of a team 1
5. Varsity cheerleader 3
6. JV cheerleader 2
7. Winner in VCC tournament/competition
 First place 4
 Second place 3
 Third place 2
 Fourth place 1
8. VCC All Conference Team 2
9. VCC MVP (includes points given for membership of all conference team) 3
10. VCC Honorable Mention 1
11. VCC All-Academic Team 2
12. Winner in State VCC tournament
 First place 4
 Second place 3
 Third place 2
 Honorable Mention 1

* Points for officers of clubs include points already given for membership.
